**Disclaimer:**

Animetics provides information arising from DNA testing, and not advice as to the suitability of any test. The test results are for information only, and are intended to better understand the test subject. Animetics, its agents, employees and officers are not liable for any direct or indirect loss or damage caused as a result of test results.

While every effort is made to ensure the accuracy of the test results, and the test results are highly reliable, inaccuracies may occur due to factors out of the control of Animetics, such as a mutation within the genome of a bird, a bird being a conjoined twin, a customer's inaccurate description of a bird, errors in sample collection and handling by a customer and cross contamination of DNA. It is the responsibility of the customer to take necessary precautions to ensure their own safety, and the safety of the test subject when obtaining and handling a sample for testing. If a customer is not competent to take a sample, professional advice should be sought. Animetics is not liable for any issue arising from a customer obtaining or handling a test sample. If Animetics provides a proven erroneous test result, the liability of Animetics is limited to refunding the cost of the test. This disclaimer does not limit any of Animetics' liabilities in any way that is not permitted under applicable law or exclude any of Animetics' liabilities that may not be excluded under applicable law. By placing an order with Animetics, a customer expressly agrees with this disclaimer and Animetics' terms and conditions.
